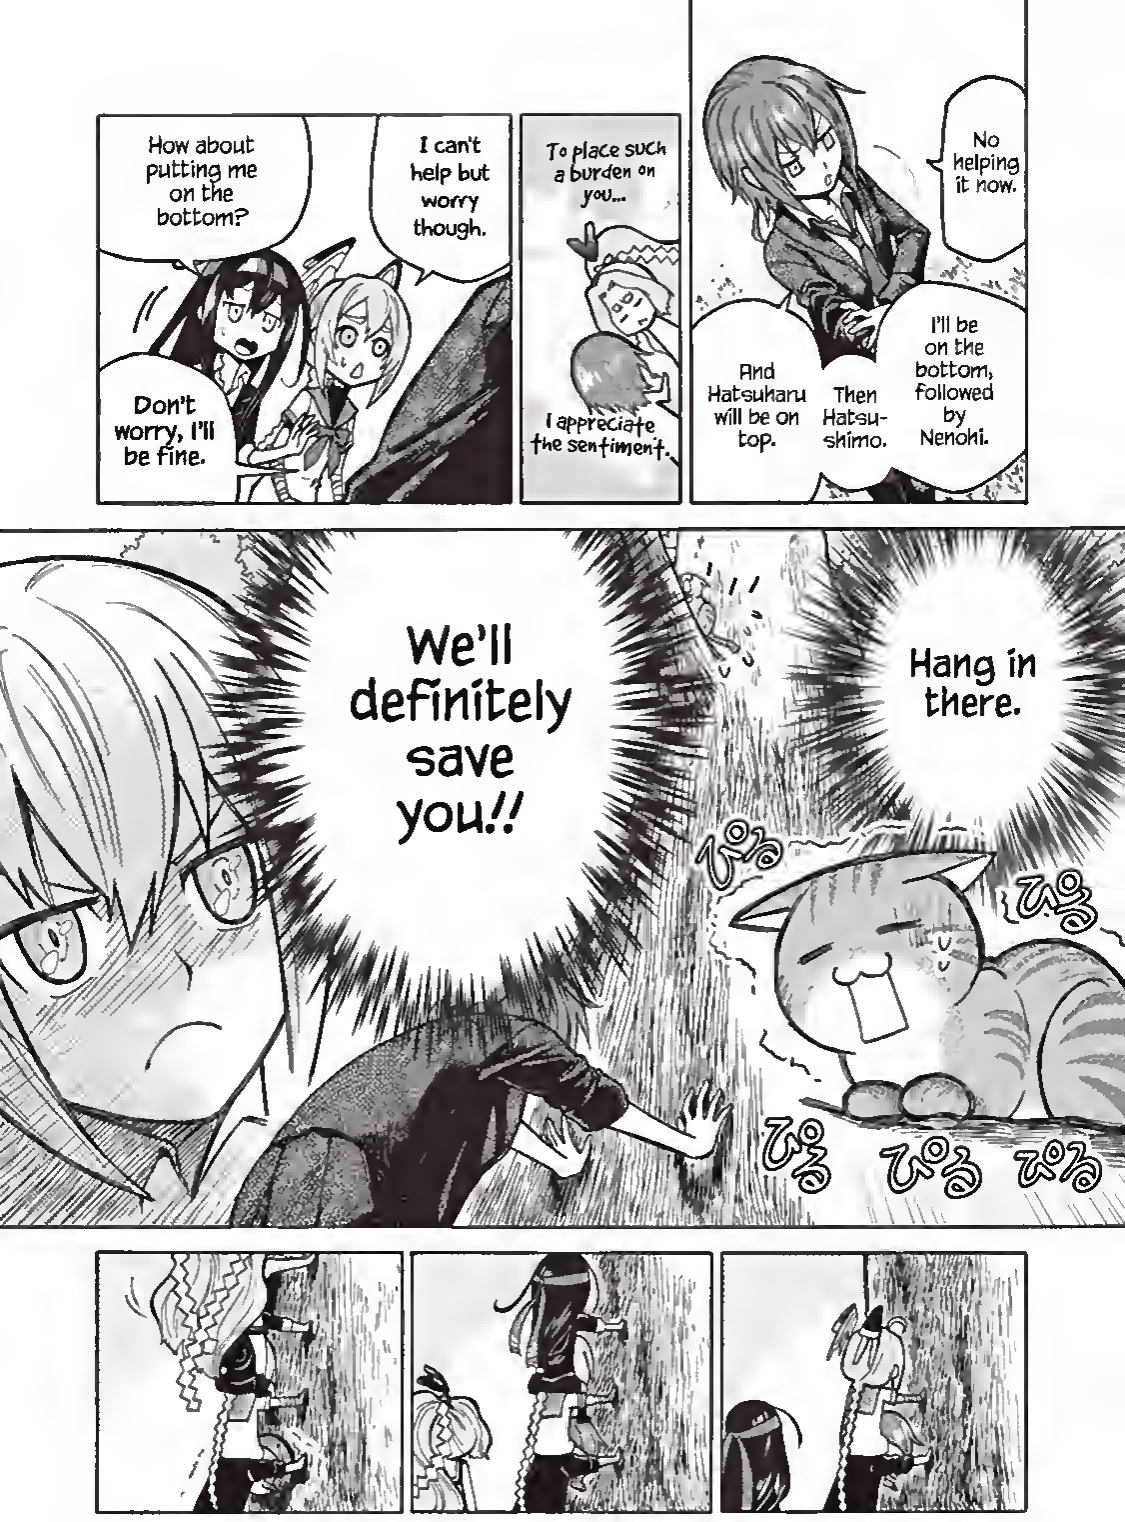
All four of us?
That's too much
Ah!
What if we get on each other's shoulders?
I'd like to get it down somehow...
but it's pretty high up.
So you are concerned as to how to go about rescuing it.
But it might actually work out.
That is true.
Perhaps we must try to know for sure.
Would this suffice?
You an obake?
Just split it down the middle and be done with it.
COME NOW, SIT ASTRIDE ME!!
STRIKE WHILE THE IRON IS HOT!
Like so?
No, no, not like that!
Your hair'd get in the way ...
It sure is fluffy



No helping it now.
I'll be on the bottom, followed by Nenohi.
Then Hatsu-shimo.
And Hatsuharu will be on top.
To place such a burden on you...
I appreciate the sentiment.
I can't help but worry though.
How about putting me on the bottom?
Don't worry, I'll be fine.
Hang in there.
We'll definitely save you!!

I'm not fine at all...!!

Sheesh! See, you're not fine at all!
Are you an angel?
Uhm... we really should swap now, right?
Are you saying we were just short of the power to save it...!?
